

A photograph of a two-story wooden house in a state of severe disrepair. The house features a gabled roof with missing shingles and exposed rafters. The exterior walls are made of horizontal wooden planks, many of which are missing, peeling, or weathered to a greyish-brown color. On the left side, there are two windows; the upper one is boarded up with a dark wooden shutter, and the lower one is completely missing its frame. To the right of the windows is a dark, open doorway with a small wooden porch leading up to it. The house is surrounded by tall, overgrown grass and some weeds. A bright yellow semi-transparent banner is overlaid across the upper portion of the image, containing white text.
